Practitioner Course Information

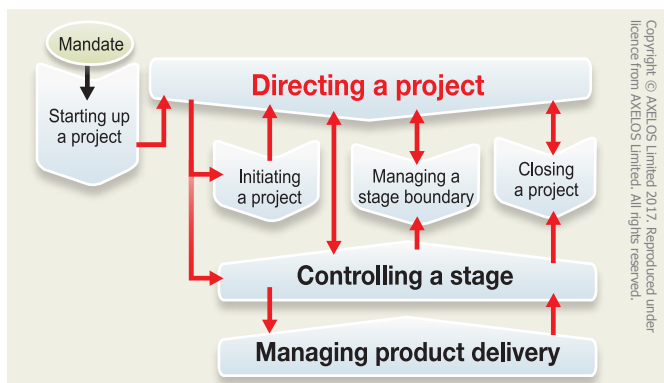

PRINCE2 is a project management methodology that will benefit all types of projects and projects of different sizes. Designed to facilitate effective control of projects it consists of 3 core elements; PRINCE2 Principles, PRINCE2 Processes and PRINCE2 Themes.

The Practitioner course is a program designed to develop the participant's ability to apply PRINCE2 in different project environments and adapt PRINCE2 under specific project scenarios.

PRINCE2 Practitioner is delivered as a 2 day event. For in-house training PRINCE2 Practitioner can be completed over 2 or 3 days.

The Practitioner training will:

- Expand the participant's understanding of the principles and philosophies underpinning PRINCE2.
- Provide detailed explanations on PRINCE2's elements, their relationships and how they can be applied in different project environments.
- Provide participants experience in applying PRINCE2 in different project environments.
- Explain how PRINCE2 can be effectively applied to address the needs and problems of a specific project scenario.
- Provide participants experience in applying PRINCE2 to address the needs and problems of a specific project scenario.
- Prepare participants for PRINCE2 Practitioner Certification.

Course Composition

The training is a scenario based training course focusing on the application of PRINCE2 under different project environments and scenarios. Review and revision sessions of all PRINCE2 elements are included throughout the training.

Practitioner Exam

The PRINCE2 Practitioner Exam is a 2.5 hour open book scenario based exam.

The maximum score for the exam is 68 marks. The participant must acquire more than 38 marks to pass the exam.

Practitioner Re-registration

To renew Practitioner certification PRINCE2 Practitioners are required to be re-registered within 3 years of their original certification.
